Were Jesus, Founding Fathers Anti-Semites?

By Michael Collins Piper

In light of the unfortunate fact that malicious propagandists such as the Anti- Defamation League (ADL) of B'nai B'rith—an illegally unregistered foreign lobby for the state of Israel—have conjured up and perpetuated the lie that *AMERICAN FREE PRESS* is "anti-Semitic" for challenging the political influence of the Israeli lobby in America, it is worth reviewing this remarkable list, recently posted on the Internet, of the diverse array of institutions and individuals who have been subjected to this charge. Many of those accused of "anti-Semitism" are actually Jewish themselves.

So this list will prove quite revealing (even amusing) and thought-provoking to AFP readers:
